Returns & Claims

All returns are required to have a return authorization number (RA#) and must be received in the original condition and product packaging. Please contact Customer Service for the RA# and correct return address. Cartons of returned merchandise will be refused if they do not have a customer service generated RA# written on each carton.

Damaged Claims

It is important to inspect your shipment upon receipt and report any problems within 5 days. Please report any issues to our customer service department. If your package is visually damaged, please call customer service before accepting delivery.

Refused Shipments

Refused shipments are subject to a 15% restocking fee plus freight expensed to and from the customer's address.

Credits

All credits issued will be applied toward future purchases. We do not offer cash refunds.

Backorders

Customers must clearly state on each order whether or not backorders are acceptable. Backorders totaling \$30 or more are kept on file until the goods are shippable.
