Who we are...

The Pictura Family is one who believes that each and every greeting card we craft is truly a work of art. Honest hard work, good values and only the highest quality products are what set us apart. We are a tight-knit crew that’s been around a long time, and we value our customers as a part of the family. We are here for you... and we sincerely appreciate you. Welcome home.

Welcome home...

Flowers blooming on a sun-drenched wooden porch, a golden retriever relaxing in the garden, blue jeans drying on the clothesline, the beauty of nature and the blessings of family all around... These are the little moments that make each day worth celebrating. This year, we bring you all of these & more with the arrival of our newest Signature Line, Heart & Home... a return to the simple things that matter most.

The Foundation funds out of the box ideas to better understand the causes and develop new ways to effectively treat brain and behavior disorders. These disorders include addiction, ADHD, anxiety, autism, bipolar disorder, borderline personality disorder, depression, eating disorders, OCD, PTSD, and schizophrenia.

100% of all contributions for research are invested in our grants to scientists thanks to the generous support of 2 family foundations which cover our operating expenses. See www.bbrfoundation.org for more about our mission.
